

BRAINSTORMING: Approaches to complexity at the interface of brain and mind

A Free Conference for London Foundation Doctors

The neuropsychiatry and liaison psychiatry themed programme will include talks from experts and experts by experience on assessment and management of functional neurological disorders, alcohol related brain disorders and use of the Mental Capacity Act. There will be opportunities to practise the skills you have learned in simulations.

Tuesday 17 March 2020

9:30AM - 5PM

Events @ No 6

6 Alie St, London E1 8QT
