

Dear Colleague,

**UK Clinical Teaching Fellows Forum 2020**

*The Postgraduate Education Centre, Portsmouth Road, Frimley Park Hospital, Frimley, Camberley, Surrey GU16 7UJ*

We would like to invite you to the 2nd UK Clinical Teaching Fellows Forum to be held on Saturday the 6th of June 2020 at Frimley Park Hospital in partnership with the Academy of Medical Educators. This meeting is targeted at teaching fellows, medical education fellows, clinical teaching fellows and those seeking to begin or further their involvement in medical education.

After the success of the inaugural meeting in June 2019 a national clinical teaching fellows network was formed @CTFF. The aim of the 2020 conference is to allow delegates to share ideas and to consider how we can work collaboratively to further the fantastic work being undertaken up and down the country.

The day will be packed with educational ideas and advice on how to get the most out of your teaching sessions, as well as talks on how to pursue a career in medical education, ways of raising support for your work within your own institution and the opportunity for delegates to share their work via poster and oral presentations.

As such we are pleased to invite abstract submissions from anyone involved with undergraduate or postgraduate clinical education who wishes to share their projects, innovations, research or experiences with a group of enthusiastic educators.

Conference information will be regularly updated on our [website](#) and registration is now [open](#). Register before 2 May 2020 to receive the early bird delegate rate of £40 (£50 thereafter).

**The deadline for [submitting your abstract](#) is 5pm on 2 March 2020.**

I have attached an e-flyer to this email. We would be most grateful if you could you share this with your networks.

Best wishes

The AoME Team
