<b>Trust</b>	Barking Havering and Redbridge University Hospitals NHS Trust
<b>Site</b>	Queen's Hospital
<b>Trainee Information System (TIS) Post code (and local post number if known)</b>	<a href="#">LDN/RF\$QH/FND/FY2/024</a>
<b>Placement details</b>	Renal Medicine FY2
<b>Department</b>	Specialist Medicine
<b>Types of work to expect and learning opportunities</b>	<p>Our renal service is provided as part of the North East London and Essex Renal Network which allows patients with acute and chronic kidney disease, who are unlikely to require renal replacement therapy, to be managed locally.</p> <p>Patients with complex kidney diseases are managed to dialysis and transplantation with the support of the specialist tertiary centre based in Royal London Hospital. This ensures delivery of services closer to the patient's home.</p>
<b>Where the placement is based</b>	Renal Unit On weekends F2s will be covering the wards, doing the jobs on ehandover and support the medical take.
<b>Clinical Supervisor(s) for the placement</b>	TBC
<b>Main duties of the placement</b>	Mainly based on the Renal Unit at Queens Hospital seeing the patients from the medical take. The work will include seeing new admissions, completing ward rounds, and completing the jobs created by that ward round.
<b>Typical working pattern in this place</b>	<p><b>Shifts includes:</b></p> <ul style="list-style-type: none"> <li>• Normal days</li> <li>• Long days</li> <li>• Weekend shifts</li> <li>• Night Shifts</li> </ul> <p><b>On-calls:</b> Start at 08.00am with handover in library, Queen's Hospital – finish with night team at 8.45pm During weekdays FY2's on call will remain on their ward until 5pm. They should then cover the wards and check the ehandover system (electronic handover system) for any jobs and help on the take.</p>
