

Call for Papers

FP SHARING EVENT, 24TH March 2021

Guidelines

- We are looking for good practice examples of educational interventions relating to foundation trainees.
- These should be novel and provide a basis for others to explore similar innovations in their organisations
- Submissions are welcome from anyone involved in supporting the training of foundation doctors
- The abstract should not be more than 200 words in length (excluding references)
- Please use the following headings:
 - Background
This should set the context including why the innovation/development was introduced
 - Methods
Describe what was done and how it was evaluated
 - Results
Present the key findings
 - Learning points and take home messages

Deadline for abstracts is 5pm Wednesday 7th January 2021.

Any references quoted in the abstract should be listed at the end, using the Harvard reference style.

Papers will be presented as oral or poster presentations. Papers describing work in progress are eligible.

As it is a Sharing event, please note that authors must register for the meeting (24th March 2021) as delegates.

We look forward to receiving your Abstract Submission Form (overleaf), by
5pm Wednesday 7th January 2021.
