

# Genitourinary Medicine Taster Day 2020

**Are you a junior doctor interested in a career in Genitourinary  
Medicine?**

**Please join us virtually for a day of talks aimed to give trainees an  
overview of the speciality.**

- **Learn about what the specialty involves**
- **Understand training requirements, the curriculum and how it is delivered**
- **Find out about research opportunities and out of programme experiences**
- **Explore a day in the life of a GUM consultant and SPRs**
- **Receive an overview of common sexual health and HIV scenarios**

**Monday 5<sup>th</sup> October 2020**

**Virtually**

**0930-1630 (approx.)**

**Registration and admission is free.**

**Places are limited –**

**Please apply for study leave**

**[Click here to register](#); please use an email you can access from  
outside of work.**

**For any queries please contact:**

**Rebecca Marchant**

**ST5 GUM, St George's Hospital**
